Company Overview

Fadak Trading Company is one of the pioneers in the production and export of almonds in the Middle East, which presents a variety of almonds with unique taste and quality in order to satisfy customers worldwide. Mamai almond, stone almond, Rabi almond, Mongha almond, white almond, and bitter almond, are the products that are offered by Fadak Trading Company which are packaged in accordance with global quality standards and are provided to customers globally. Fadak Trading Company strives to fulfil the needs of customers using the knowledge of experts and high-tech machinery. Fadak is also striving to be recognized as the largest producer and exporter of almonds in the world market.

Business description

The first almond tree was found since 4000 BC and today it is found all over the world, however, it belongs to the lands of South Asia and the Middle East. The United States, Spain, Syria, Italy, and Iran are exporters of this product in the world, and Germany, UAE, Ukraine, Pakistan, Turkey, Russia, Bahrain, India, Qatar, Kuwait, United Kingdom, Austria, Oman, France, Sweden and Saudi Arabia are among the buyers of Iranian almonds.

Almonds contain nutrients, unsaturated fats, vitamins, and minerals and are very useful for controlling blood sugar levels, preventing diabetes, preserving bones and teeth health, preventing cancer, and lung health. Fadak Trading Company, as one of the exporters of almonds in the Middle East, has managed to fulfil the needs of customers for this product in the Middle East and the company has increased customers with its high-quality products and the standard of the food organization.

Vision and values

The most important value in this company is Customer satisfaction and presenting high quality products. Fadak Trading Company is trying to expand its products and presenting Types of nuts to global markets, and using the knowledge and technology of the day to be recognized as the largest producer and exporter of nuts in the world market.
